

Architectural floor plan of a building, likely a library or administrative center, showing various rooms, corridors, and service areas. The plan includes numerous labels for rooms and their areas in square meters (m²).

Key areas and rooms labeled include:

- Archives (multiple locations, e.g., Archives SPFE, Archives SE TN, Archives CDF)
- Circulation (multiple locations, e.g., Circulation SPFE, Circulation CH2, Circulation SE TN)
- Reception (multiple locations, e.g., Reception SPFE, Reception SE TN)
- Offices (multiple locations, e.g., Responsable SPFE, Responsable SDIF)
- Meeting rooms (multiple locations, e.g., SIE TNO, SIE TNO 108)
- Staircases (multiple locations, e.g., Staircase 1, Staircase 2)
- Restrooms (multiple locations, e.g., WC Femmes, WC Hommes)
- Storage areas (multiple locations, e.g., Boite PMR, Boite SDIF)
- Open spaces (multiple locations, e.g., Grand hall, Grand hall 2)
- Service areas (multiple locations, e.g., Kitchen, Storage)

The plan also shows a central staircase area, a large open space, and a parking area. The layout is complex with many small rooms and corridors, and a large central open area. The plan is color-coded with blue for walls and doors, green for circulation paths, and orange for specific rooms. A red dashed line labeled 'SDIF' is visible on the right side of the plan.
